NEW JERSEY STATE 4-H MODEL HORSE SHOW

OBJECTIVES — The primary objective of the 4-H Model Horse Project is an educational tool for teaching 4-H'ers about horses. Through the Model Horse Project, members learn about breeds, colors, gaits, tack and show ring activities. This project also allows members to use their artistic talents in the remaking of models, construction of tack and the designing and building of backdrops.

The Model Horse Program also provides a venue for "horseless" club members to participate in a "horse show."

RULES AND REGULATIONS - MODEL SHOW

1. All counties are invited to enter all eligible exhibitors. Members must have been registered in their county 4-H program as of January 1 of the current year. Members must have an up to date horse or model horse record book. Members must have participated in 70% of their clubs meetings in the past year. Members must have given or will give a 4-H presentation in the current 4-H year and have done a community service project.
2. Junior exhibitors are grade 4 - 7. Senior exhibitors are grades 8 - 13. Grade is determined by the grade in which the member is enrolled the September prior to the event. **NOTE THIS AGE BREAKDOWN IS DIFFERENT FROM OTHER STATE 4-H HORSE EVENTS.**
3. Entries postmarked after the due date will be assessed a post-entry fee. There is a good possibility that post entries received close to or on the day of the show will not have a table. Post entries must still have a County 4-H Agent/Program Associate's signature on the registration form.
4. Entries will not be honored unless accompanied by appropriate entry fees in a check made payable to Hunterdon County 4-H. Youth must arrive at the event with a signed Event Permission Form. Entries received less than one week before the show will be considered post-entries the day of the show, and fees adjusted accordingly. Bank returned checks will be assessed a \$25 fee.
5. Each participating county is responsible for a \$20 sponsorship. Additional sponsors are greatly appreciated. Sponsorships need to be received at least a week before the show.
6. Each model must have an entry tag fastened to a hind leg that cannot be easily removed. A string tag should be used, and filled out as illustrated below: Front of Tag: Name of Horse, Breed, Sex. Back of Tag: Exhibitor Number (Numbers will be e-mailed to members after entries are received or upon registration on show day)
7. It is expected that the exhibitor (owner of the model) be available to manage model and take it to the judging table. Adults are not permitted to assist in tacking or set-up of horses. Exhibitors must tack and set up their own horses. They may be assisted by other 4-H members only.
8. A single model may show in more than one performance class. If you anticipate a tack change, please inform the judges. The same model may not cross enter in the junior and senior member divisions.
9. Tables will be assigned by the Show Committee. Space allotment will be based on number of models entered.
