NATIONAL 4-H PAPER CLOVER EVENT – CONTINUES UNTIL APRIL 24

National 4-H Council has launched the spring 2016 4-H Paper Clover Campaign in partnership with Tractor Supply Company (TSC). This event marks the sixth year of collaboration between the organizations on the national in-store fundraiser, benefiting state and local 4-H programming in each of the counties where a TSC store is located.

The spring 2016 4-H Paper Clover Campaign started on April 13 and will run until April 24, 2016. Shoppers at any of the 13 Tractor Supply Company stores located in New Jersey will have the opportunity to support 4-H in that county by choosing to purchase paper clovers for a $1 or more at the checkout. All funds raised will be donated to 4-H, and will support a variety of 4-H youth development programs in many counties.

“For many years, the fundraising event has allowed us to provide thousands of 4-H youth across the country greater access to 4-H programs,” said Jennifer Sirangelo, president and CEO, National 4-H Council. “We are thrilled about our continued partnership with Tractor Supply Company as it drives the excitement of local community participation and support for 4-H programs, and therefore the success of the 4-H Paper Clover Campaign.”

Last year, across 49 states, the TSC 4-H Paper Clover Campaign provided more than $1.8 million to 4-H across the country. All proceeds raised directly benefit 4-H, with 70 percent of funds being returned to state and local 4-H programs.

“The Paper Clover fundraiser is a significant part of Tractor Supply Company’s support of 4-H programs throughout the 1,300 communities we serve,” said Christi Korzekwa, vice president, Marketing, Tractor Supply Company. “We are proud to be able to provide essential funding to more than 1,000 county 4-H programs. These programs make a positive impact on young people that last a lifetime. The continued success of the Tractor Supply Paper Clover fundraisers demonstrate the importance of our 4-H partnership with our customers, team members and communities.”

4-H clubs will have displays and demonstrations daily throughout the campaign period (April 22-May 3). New Jersey Tractor Supply Company stores are located in Allentown, Blairstown, Bridgeton, Flanders, Hillsborough, Little Egg Harbor, Pilesgrove, Ringoes, Sicklerville, Southampton, Sussex, Vineland and Washington.

Funds donated during the national campaign will be tracked online and recorded by state and by store. Visit www.tractorsupply.com/4-H for more information on the spring 2016 4-H Paper Clover Campaign and to view the donation tracker.

If you would like more information on how you can become involved in 4-H, contact the 4-H office in the county in which you reside or visit the website at http://nj4h.rutgers.edu. Like New Jersey 4-H on Facebook.

The 4-H Youth Development Program is part of Rutgers Cooperative Extension, a unit of the New Jersey Agricultural Experiment Station. 4-H educational programs are offered to all youth, grades K-13(one year out of high school), on an age-appropriate basis, without regard to race, religion, color, national origin, ancestry, sex, sexual orientation, gender identity and expression, disability, atypical hereditary cellular or blood trait, marital status, domestic partnership status, military service, veteran status and any other category protected by law.
About 4-H
4-H, the nation’s largest youth development organization, grows confident young people who are empowered for life today and prepared for career tomorrow. 4-H programs empower nearly six million young people across the U.S. through experiences that develop critical life skills. 4-H is the youth development program of our nation’s Cooperative Extension System and USDA, and serves every county and parish in the U.S. through a network of 110 public universities and more than 3000 local Extension offices. Globally, 4-H collaborates with independent programs to empower one million youth in 50 countries. The research-backed 4-H experience grows young people who are four times more likely to contribute to their communities; two times more likely to make healthier choices; two times more likely to be civically active; and two times more likely to participate in STEM programs.
