

Dear Supporter,

We are excited to announce that the New Jersey State 4-H Avian Bowl will take place on **Saturday, May 17, 2025**, at the **Hunterdon County Division of Senior Disabilities and Veterans Services** in **Flemington, NJ**. This event provides a unique opportunity for youth to deepen their knowledge of avian science, poultry management, and related topics, while encouraging them to explore career opportunities within the poultry industry.

The Avian Bowl is not only a competitive activity but also an essential part of the 4-H experience, fostering personal growth and career development for young participants. As a state-wide event, it brings together youth and adult participants from across New Jersey, and we rely on the generosity of supporters like you to ensure its success.

To help cover the costs of awards, judges, and other event-related expenses, we are seeking financial contributions to support the event. The **New Jersey State Small Animal Advisory Committee** is currently running a **Program Advertisement Book and Award Sponsorship Fundraising Campaign**. The Program Book will be distributed to all event participants and contributors across the state.

This is a fantastic opportunity to show your support for the New Jersey 4-H Youth Development Program, and to make a lasting impact on the participants. We sincerely appreciate your consideration and hope you will join us in making this event a success.

Please complete and return the attached forms by **May 2, 2025**. If you have questions please do not hesitate to contact me by phone 732-349-1227 or email at amelia.minervini@rutgers.edu

Sincerely,

Amelia Minervini
